The image shows a screenshot of a computer screen. On the left is the Autodesk Licensing - Activating window. It features the Autodesk logo and the heading "Product Registration & Activation". The text reads: "Thank you for purchasing an Autodesk product. The next pages will guide you through registration and activation of your product." Below this, it says "Enter Product Serial Number." and "The serial number you entered is not valid. It either is not an Autodesk Serial Number or it has been compromised." A text input field contains "667-98989898". Further down, it says "To ensure you get an authentic Autodesk license, we recommend you buy only from an Authorized Autodesk Reseller or directly from our Autodesk Store." At the bottom of the window, there are "Close" and "Next >>" buttons.

On the right is a smaller window titled "X-FORCE". It has a dark background with purple lightning effects. The text "X-FORCE" is prominently displayed at the top. Below it, it says "Autodesk 2014 products". There are two input fields: "Request:" with "Paste Request here" and "Activation:" with "And press Generate". Below these are three buttons: "Patch", "Generate", and "Quit". At the bottom of the window, it says "SMOKING THE COMPETITION!".
